Testimonials

I received the dahlias today and have just finished unpacking them. They are fine—not a broken neck in the lot of those packed in the barrels and none in the packages as far as we opened them.

Your count was generous and we are more than pleased. We tried a small order of your stock last year and they were fully satisfactory. This year we have bought more than two thousand tubers of good varieties from you and never got better stock or service anywhere.

Again thanking you for the fine stock you sent and wishing you the best of luck this season, we are,

Very truly yours,
WAYLAND DAHLIA GARDENS,
Per, E. R. Ryno, Prop.,
Wayland, Mich.

I want to take this opportunity of telling you that the Florence Finger and Sylvia Dickey tubers we got from you last year did splendidly for us last season, and we cut many flowers from them, the Florence Finger being one of the first varieties to come into bloom.

Thanking you for the nice stock and wishing you a very successful season, I am,

Very truly yours,
ROLLING ACRE DAHLIA FARMS,
J. W. Bibb, Manager.
